**STUDY IN ENGLISH
IN THE CITY OF A HUNDRED SPIRES.**

The University of New York in Prague (UNYP) is a small private institution located in the center of Prague and in the heart of Europe.

Although UNYP is small in size, it is the largest English-language higher education institution in the Czech Republic. Furthermore, UNYP is an inherently international institution — with in our student body there are students from over 60 different countries.

UNYP's small classroom sizes allow for students to voice their thoughts, challenge their professors, and engage with students from all over the world in an intimate and respectful setting.
